Meet your Director:

Rachel Stum has been working for GEARS for 13 years. It is her first year as the Director of Camp Ladybug and she could not be more excited because she volunteered at camp when she was in Middle School and High School. Rachel is married to her husband Chris and they have an 8 year old son named Cooper. They love baseball (Go Phillies!) and Hockey (Go Capitals and Bears!) She looks forward to meeting all of you and having a great summer at camp!

Meet your Assistant Director:

Molly Hill has been coming to Camp for 11 years with her sister, a camper at camp ladybug, but it's her first year as assistant director! She is a college student at Kutztown University and is studying secondary special education. Molly is looking forward to seeing both familiar and new faces at camp this summer!

Meet your Assistant Director:

This is Mary Elizabeth. Ladybug has been a part of her life ever since she was a girl, when her grandmother began taking her to camp to serve as a counselor. She currently attends the University of Alabama, where she majors in International Relations with a concentration in Latin American Affairs (roll tide!). She plans on becoming a Catholic nun upon graduation.
