Aladdin on Broadway

Saturday, October 7

Venture into the Big Apple to see this Broadway show. Aladdin is a gorgeously produced show that is a delight from start to finish. The beloved characters from the Disney's 1992 animated hit are given fresh life on the Broadway stage, including the "Friends Like Me" Genie, who leads two show-stopping musical numbers. The costumes and set design are among the most beautiful on Broadway and Aladdin and Jasmine's magic carpet ride to "A Whole New World" inspires gasps of delight. Seven new songs help flesh out a story that keeps audiences entranced all the way through this happily ever after ending.
