

Camp Ladybug "B" Week Two

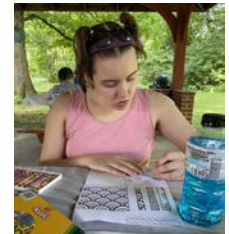

This week we continued our journey around the globe in Japan, France, and Switzerland! Here's some of the fun we had!

Thank you to everyone who donated snack the past two weeks, especially our staff member Riley who brought us all ice cream on Friday!

This week while we were in France we had a fashion show! Our campers were broken up into teams to style each of our staff members! It was decided that Molly's team won!

Thank you to all of our volunteers and campers who joined us for Camp Ladybug "B". You made our second two weeks of camp so fun! We hope to see you again in camp "C", but if not, have a great summer!
