

E-town Park Playground Newsletter

June 20-24

It was a fun second week of camp! We had lots of participation in the organized games this week. Many thanks to all of our campers for keeping it friendly and fair. (The counselors will be ready for a dodgeball rematch in the near future!)

Please remind your campers that CLOSED-TOE SHOES are preferred for daily activities and they are REQUIRED for creek activities. Closed-toe shoes are the safest option for all games and activities. Thank you for your cooperation!

I'm Janelle and I joined the GEARs program this past week. Your child may already know me from East High! I have two sons of my own, ages 10 & 14.
