

Etown Park Playground June 28-July 2

This week was filled with new games, crafts and even some friendly competition. We painted rocks which showed our camper's creative side. We played real life Among Us which is a new camp favorite. We tested our camper's design and building skills with a marshmallow and spaghetti building challenge. It was so cool to see what the campers were able to create.

Next week campers can look forward to more of their favorite games like capture the flag and duo dodgeball. We also are planning a minute to win it tournament for some more friendly competition. **Reminder: there is no playground on Monday 7/5 in observance of July 4th**

**Campers of the Week for 6/21-
6/25**
