

# E-town Park Playground July 5-July 9

**Campers of the Week for 6/28-7/2**

**Rowan Bacci**

**Rory Checkeye**

We have been having an awesome summer so far! Although it has been hot, we have been enjoying so many games and activities.

Remember to keep bringing lots of water to playground.

We have been busy at playground this last week, we had water day, made salt art, played lots of capture the flag and had a minute to win it competition.

Next week we are planning on playing even more games and doing some new crafts and activities. On Wednesday, 7/14 we are planning to do sharpie tie dye, this can be done on paper, but if your camper wants, they can bring a white shirt or piece of clothing to dye.
