

E-town Park Playground Week 1 Newsletter

Get to know the counselors!

Julee

My name is Julee and this is my second summer working at Playground! I am a junior at Hood College studying public health. I run on the cross country and track team at school so I really enjoy playing games at Playground, but I also love all the crafts we do! I am looking forward to a great summer!

Eden

Hello! I am Eden, I am 19 years old, and I enjoy doing arts and crafts while getting to know the kiddos! I encourage the kids to learn and socialize while still having fun! This is going to be a great summer!

Marena

My name is Marena Lonardi and I am a junior at Lock Haven University! I play on the basketball team there and I am studying to become a physician's assistant. This is my 4th year working at the park and I am so excited to have another great summer at camp this year!

Some Reminders

- Make sure to bring lots of water
- Closed toe shoes are required to play in the creek
- Remember to check in and out each day
