Campers of The Week:
Noah K., Brooks G., Alexis B., & Arlo F.

This week was a great week! We played lots of our favorite games that included knock hockey, ball tag, dodgeball and kickball. We also created lots of awesome crafts that included shrinky dinks, paper towel roll llamas, paper plate and felt koalas. We also enjoyed a great water day with the slip n' slide, sprinkler and water balloons. On the last day of camp, we had a fun party, it started out with some dodgeball campers vs. counselors, awards, snacks, crafts and we ended the day with a group game of bingo with lots of prizes awarded.
