

WDT Summer Playground Newsletter July 6th - 10th

Campers of The Week

Orion F, Camden G, and Lily K

This week we enjoyed: making creations with fuse beads, making beaded key chains, playing group games and going on a nature scavenger hunt.

Next week: We have lots of fun crafts to build and take home and new group games to play. Please be sure to send your child with a full water bottle and snack! Thank you!
